*Merry Christmas and a happy New Year*

*Taipei, December 20<sup>th</sup> 2013*

*Dear SAT members, Dear compatriots, Dear friends,*

*I would like to thank all for your great participations during our events in 2013, especially for what has been a very busy December. We had great success with our first participation at the European school Bazaar where we sold countless portions of Raclette and we had many volunteers helping us. In this context also special thanks to the Zimmermann family who represented the Swiss community at the American school's food festival, serving Swiss food.*

*This year's Santa Claus event at the Taipei Zoo was a stunning success with over 90 participants, we have invited our friends from the Canadian chamber to join us for this event which made it a busy afternoon for Santa and Schmutzli.*

*Our SAT / TOSI Christmas dinner took place at the Grand Hyatt, was well attended and a huge success.*

*Thanks to all of you for your contributions! Special thanks go to our Santa Claus Paul Wyss, our photographers, Willy Boehi, Michael Geier and Josephine Blanc and to Thomas Kuiper who has spared no effort to build and maintain our [Swissclub.tw](http://www.swissclub.tw) web page. Also a big thanks to our generous sponsors for their kind donations which make our lucky draws a success.*

*You can see and download pictures of all our events we had in 2013 from [www.swissclub.tw](http://www.swissclub.tw)*

*There is no formal Swiss Apero on the last working day in December, some of us will still gather at Capone's on Monday, December 30<sup>th</sup> for a few drinks, everyone is welcome.*

*On behalf of the committee I wish you a merry Christmas and a happy 2014.*

*Yours truly,*

*Swiss Association of Taiwan*
